INDOOROOPILLY

Level 3, 70 Station Rd
Indooroopilly QLD 4068

REDCLIFFE

Suite 3, Peninsula Specialist Centre
Cnr George & Florence Sts
Kippa-Ring QLD 4021

WE LOOK FORWARD TO WELCOMING YOU

- Please allow 2 hours for your first appointment.
- Dilating eye-drops may be required to examine your eyes thoroughly. Please ask our team if this will be required when booking your appointment. These will blur your vision for approximately 2-4 hours. Driving will be unsafe so alternate transport arrangements are recommended. Dark sunglasses will reduce discomfort in bright light.
